Lab28 - Floorspace Manager App ("we," "us," "our") operates a mixed-use commercial building: the Lab28 Public Event Zone and the Lab28 Offices Zone. We collect personal data—identifiers, access logs, bookings, and elevator calls—to manage access, optimize space, and ensure emergency evacuation.

## 1. Information We Collect

### 1.1 Lab28 Public Event Zone

- First and last names, email addresses, and event-specific info.
- Device and usage data: IP address, device type, OS version, App interaction metrics.
- Analytics data: Website usage patterns, page views, and interaction data via Google Analytics.

### 1.2 Lab28 Offices Zone (Secured Access)

- Credentials: name, verified email, and authentication method.
- Door-access logs: door ID, timestamp, user ID.
- Elevator-call records: call time, floor, user ID.
- Meeting-room bookings: room ID, time, names and emails of participants.

## 2. How We Use Your Data

- Authenticate users and maintain access logs.
- Check-in, communications, and analytics for events.
- Utilization reports for managers.
- Share logs and bookings with security during emergencies.

## 3. Data Storage & EU Compliance

- Stored in Google Cloud EU multi-region with Assured Workloads.
- Processing limited to EU regions with encryption.
- Google Analytics data retained for 26 months.

## 4. Your Rights

- Access & Portability, Rectification & Erasure
- Restriction & Objection, Right to lodge a complaint
- CCPA rights for California residents
